Re: The Royal Poinciana Playhouse

We at Stoney Clover Lane believe that renovating The Playhouse will make a positive impact to the businesses at the Poinciana Plaza, and the Palm Beach community. As a business in the Poinciana Plaza, we see the many patrons that come here to visit the many galleries and shop in our store. With The Playhouse hosting performing arts and waterfront dining, we will see an increase of patrons visiting the center which helps us to grow our small business.

Community arts contribute powerfully to community development, and we ask the Town's support The Playhouse project. We wish the support group that is heading this project good luck in the success of a theatre.

Sincerely,

Jennifer Brownhill
