**Re: The Royal Poinciana Arts Center**

Dear Town of Palm Beach Town Council & Ms. Churney:

I am writing to support of the proposed reimagined Royal Poinciana Arts Center at The Royal Poinciana Plaza. The modernized Arts Center will quickly become a landmark destination and a Jewel of Palm Beach for not only the Town of Palm Beach residents but also their out of town guests and visitors alike. With its unique waterfront, historic setting and the addition of a Palm Beach waterfront dining experience, this will quickly become a sought after enjoyment destination for local residents and visitors year round.

I respectfully request your support in granting them the necessary allotments, so myself and others may be able to enjoy this wonderful opportunity in the future.

Sincerely,

Intracoastal Parking LLC
