As full time residents of Palm Beach, we are writing to urge our town to support the exciting development project for the Royal Poinciana Playhouse. The opportunity to bring quality entertainment and water view dining to the site of the long closed theater, will only enhance the exciting and popular “go-to” destination of The Royal. We are proud of our town and the diligent oversight it ensures for new development and are confident that the Playhouse project will become another “jewel in the crown” of Palm Beach.
