Good morning,

I am writing to state my support for The Royal Poinciana Playhouse Project. Having lived and worked in Palm Beach for over 30 years I have watched the transformation of The Plaza as it has been restored to its original splendor. Sadly, the historic Playhouse has remained on the sideline neglected. I once attended a premier of the film, The Aviator, back in the 90's and was struck by its grandeur and was unfortunate to see it neglected over the years. The Playhouse is an iconic structure that one sees upon first entering our beautiful island via the North Bridge. It should be a magnificent and vibrant attraction.

I hope the Town will give its strong support for its reimagination and redevelopment.

Sincerely,  
Shannon Reed
