Dear Mayor Moore and Members of the Town Council,

As a loyal local Palm Beach resident, it has been a thrilling time to be immersed in such a progressive region where the recent years have undoubtedly shown significant growth and expansion with what it has to offer. I am writing to express my utmost support to the refurbishment of The Royal Poinciana Playhouse.

I have personally worked closely with Alexandra Patterson Clark from the early days as they embarked on preserving and rejuvenating the Royal Poinciana Plaza as a Brand Consultant. Executing their goal to enhance the landmarked destination with top tier galleries, dining, retail stores and cultural experiences, their vision has come to life with respect and understanding of the community. Refurbishing the historic Playhouse is the final touch to the grounds to complete the restoration bringing the magical space to life once again. Broadening cultural experiences is only beneficial and is an exciting advancement to a new chapter ahead.

I am an active leader and prominent figure here in Palm Beach, and being a part of such a proactive generation is an honor, as we pave the way to Palm Beaches's future expanding the cultural umbrella.

I strongly encourage the Town Council to approve the plans put forward for the Royal Poinciana Playhouse.

Regards,

Michael Gregson Reinert
