RE: Royal Ponciana Playhouse

Dear Mayor Moore and members of the Town Council,

Please accept this note which I submit with pleasure in support of the re-opening of the Royal Ponciana Playhouse. The plans as presented demonstrate the best and highest use for this important, historic property. The Playhouse will once again become a cultural hub for our community - a Town-serving center that reflects a fresh and modern version of its original mission to support and promote the arts.

As owners of a historic and landmarked business in town, one which has itself gone through a revitalization process, the Wetenhall family is pleased to support the plans to preserve the John Volk exterior architecture - and we recognize in this project all the hallmarks of excellent preservation, while simultaneously creating a vital and thriving business that will serve the needs of a modern and sophisticated Palm Beach. Not an easy feat to accomplish.

Andrew and I, together with the entire team at The Colony Palm Beach, look forward to the approval and opening of the this refreshed and relevant Royal Ponciana Playhouse.

With warmest regards,
