Greetings: Lisa Hedley Wick and Walter Wick here.

We live on the Island at 179 East Inlet Drive and 173 East Inlet Drive.

We are in absolute enthusiastic support for the proposal as we understand it to redevelop the long shuttered historic Playhouse and waterfront.

What a shame to let this prominent feature of our town lie fallow and we can think of no better person to steward the project than Samantha and her team. They have been thoughtful and creative in their development so far and it sounds like the trend will continue with the Glazers.

We heartily support them and their efforts and look forward to contributing in any way we can to the betterment of our wonderful Palm Beach community.

Sincerely, Lisa A Hedley Wick.
