RE: Approve Request by Florida Power & Light (FPL) for Night Work at 155 North County Road

DATE: May 2, 2022

STAFF RECOMMENDATION

Town staff recommends that Town Council approve the request for Florida Power & Light (FPL) to perform night work at 155 North County Road.

GENERAL INFORMATION

To address a reliability and safety issue, FPL is requesting a waiver to the “no work after 5:00 p.m.” to be able to work during the night hours at Amici Market located at 155 North County Road. FPL needs to replace a leaning pole that includes three (3) transformers on Grace Trail on the north side of Amici Market. A power outage will be required to perform this work.

Amici Market is open from 8 a.m. to 8 p.m., and has specifically requested the work be performed after business hours. The required work will take approximately four (4) hours by FPL. Grace Trail is located between Amici Market and Saint Edwards Parrish Center. The north bound lane of North County Road between Sunrise Avenue and Park Avenue would be closed between the hours of 8:00 p.m. and 12:00 a.m.

Public Works recommends approval of the waiver request. If approved, Public Works will work directly with FPL to coordinate the necessary right-of-way permit and the appropriate day to complete this work.

FUNDING/FISCAL IMPACT

There are no funding implications.
