Paul Brazil
Director of Public Works
Town of Palm Beach
360 S. County Road
Palm Beach, FL 33480

Dear Mr. Brazil,

Florida Power & Light Company is requesting a waiver to be able to work during night hours within the town of Palm Beach to address a reliability and safety issue.

FPL needs to replace a badly leaning FPL pole with three transformers in the alley on the northside of Amici Market located at 155 North County Road. Since the transformers on this pole provide electricity to this market, a power outage is needed to perform this work.

Due to Amici Market being open from 8 a.m. – 8 p.m., they have requested for this work to take place during the hours the market is closed. This work will take approximately 4 hours.

If the waiver is approved, this job will take place on a weekday from 8 p.m. – 12 a.m. The following lane closure will take place during this time:

- Northbound right lane of North County Road between Sunrise Avenue and Park Avenue.

Thank you for considering this request for waiver. Please do not hesitate to call me at **(239) 246-4893** or **Senior Customer Advisor Robert Weese at 561-685-4814** should you need additional information.

Sincerely,

Nolan Ehinger
Production Lead
Florida Power & Light Company
