Dear Chairwoman Patterson and fellow Landmarks commissioners,

I write in support of the application of Palm Beach Day Academy for parking on their property on Seaview Avenue. As you may recall, when the Mandel Recreation Center was approved, it was proposed to double the size of the parking lot on Royal Palm Way. A decision was made to wait and see what parking demand would result from the new Rec Center. Now we see, the demand is overwhelming Seaview Avenue parking and the Royal Palm lot. Please give the teachers and administrators at our wonderful town serving school some relief from the long term parking problem and improve parking access for tennis players and Rec Center users. This is the responsible thing to do. I hope you will recommend approval to Town Council. Sincerely, Michael Ainslie
