Letter of Support for Palm Beach Day Academy Proposal

Landmarks Preservation Commission,

I am writing to express my wholehearted support for the proposed parking area as put forth by Palm Beach Day Academy, a town-serving pillar of Palm Beach. Not only would this modification have a beneficial impact on the school's staff- and by extension our community's many students and families- but it would also help alleviate issues for neighboring institutions, businesses and households. I fully endorse this proposed parking plan as a very thoughtful and reasonable solution to a persistent problem. Thank you for your attention to this request and for your continuous commitment to preserving our Town's culture and history.

Respectfully,

A handwritten signature in black ink that reads "Christina Macfarland". The script is fluid and cursive, with the first name "Christina" and last name "Macfarland" clearly legible.
