Kim,

Hope you are doing well and having a wonderful summer!

I know you are the Vice Chair of the landmarks Preservation commission, so I wanted to reach out, as a Trustee of Palm Beach Day Academy, to give my full support for the plan to build a parking area on part of the west field at the upper campus of PBDA on Seaview Ave.

This plan is a “win-win” for the town and the school. There is a major issue with lack of parking on and around the Seaview campus and this would give major relief to the town and free up 30 to 40 spots that are taken, for most of the day, during school hours. It’s also a “win” for the school as one of the bigger issues for teachers at the school is the lack of parking on campus. It provides parking relief for the town, and also employees of the school (and spots for Palm Beach Public teachers as well!).

Please call me or email back if you have any further questions or need me to elaborate any further. Also, if there is anything else I can do to help this cause, please let me know.

Thanks, Kim!

Kind regards,

Todd Savage
