Dear Kim,

I hope all is well and that you and your family are having a nice beginning to the summer. I am writing to you given your position as Vice-Chair of the Landmarks Preservation Commission as I wholeheartedly support the proposed new parking area to be constructed at the Palm Beach Day School on the West Field of the Upper Campus on Sea View Avenue. I understand the school's plan needs to go through the Landmarks Preservation Commission.

As you may be aware, the parking situation has been very problematic for the school and our teachers due to an acute shortage of on-campus parking. Many teachers currently have to leave school multiple times during the day to add funds to parking meters. Palm Beach Day has been an integral part of the town's community for over 100 years and offers a wonderful amenity for the families in our neighborhood. We should be doing all we can to support the school's mission and to ensure its success. The town desperately needs additional parking spaces and the ability to add 30-40 parking spots would be beneficial for both the town and the school.

I would be very pleased to speak with you or any of your Commission colleagues on this important topic. Thank you very much.

With regards,

Brian Pfeifler  
Trustee, Palm Beach Day Academy
