My name is Pauline Pitt , i reside on Tangier Avenue , I write this email in objection to the proposed second story addition to the existing house ,515 North Lake Way ,and the additional two story small house to south end of same house.

I object to the massiveness that they propose on a charming small house and property on a small parcel of space . This is not acceptable. Most definitely not acceptable to the neighbors to the East.

The dangerous part of these additions to 515 North Lake Way is the lack of visibility to see Stop signs , and to see left and right from Tangier Avenue onto North Lake Way , this is a dangerous cross way even as it exists ,and it will become a seriously more dangerous crossway.

Please do not allow.
