Dear Members of the Council,

I am writing to you in my capacity as a board member of the Palm Beach Day Academy. This week you will be reviewing the application for approval of a parking lot on the west field of our upper campus.

As a member of the PBDA community, I ask that you approve this request. As you know, parking in the town, and particularly on Seaview, has become an increasing issue as our local population grows. The administration and school leadership has exhausted every other alternative for parking in the immediate vicinity of the school. Parking is in such short supply that many of the teachers have to move their cars every two hours in order to avoid tickets and abide by the rules. This is not easy for them to accommodate while teaching our children and causes disruptions to the students and teachers alike.

The approval of this proposal will also free up much needed spaces for the rec center and other visitors to the area.

Please feel free to reach out to me with any questions or concerns. Thank you for your leadership and consideration of this request.

Best Regards,
Caroline Cummings Rafferty
