Town Council of Palm Beach,

My name is Todd Savage and I am a Board member at Palm Beach Day Academy.

This email is written in strongest support to approve the parking lot build on the west side of PBDA upper campus on Seaview Avenue. Parking is a MAJOR problem on Seaview but also in town. This is going to free up like 37 spots on Seaview for PBDA faculty and employees to use that parking. It's a win-win for the town and the school, and I hope everyone understands how challenging parking is for anyone using the rec center, palm beach public and PBDA. There just isn't enough parking, and this will help in a major way!

If anyone wants to discuss further, please call me or email me anytime.

Thank you SO much for your consideration, and I hope this is approved to help alleviate the parking situation!

Many thanks and kind regards,

Todd Savage
