Town Council of Palm Beach,

I am writing this email as a PBDA Board Member and resident of Palm Beach to strongly support the proposed parking lot on the west side of the Palm Beach Day Academy Upper Campus on Seaview Avenue. Parking is a significant problem not only on Seaview but also for all the residents in town. The proposed parking lot would provide an additional 30-odd parking spaces for PBDA faculty and employees – freeing up street parking spaces which are currently utilized by PBDA faculty and staff. As such, the additional parking lot would be a huge benefit for the town and the school. I need not stress how challenging parking is for anyone using the Rec Center, Palm Beach Public School and PBDA. There simply isn't enough parking, and the proposed lot alleviate parking to a large degree!

I greatly appreciate the work the Council does to improve our wonderful town and I see every reason why this project should be approved. I would be happy to discuss this in greater detail at your convenience.

Many thanks and kind regards,
