To the Town Council and the Mayor,

I want to give my full support to the proposed plan for PBDA to add parking to their property on SeaView Avenue.

The school is a crucial part of our growing community and they need the additional parking to help them grow into the world class school that they strive to become .

It will also be a benefit to the Rec Center and tennis courts because this plan will free up parking on SeaView that is currently being used by PBDA Teachers and staff.

Thank you!

Sincerely ,

Matthew K. Smith
