- g. **ZON-22-070 (COA-22-026) 241 SEAVIEW AVE (COMBO)- SPECIAL EXCEPTION WITH SITE PLAN REVIEW** The applicant, Palm Beach

Day Academy Inc., has filed an application requesting Town Council review and approval for a modification to a previously approved Special Exception with Site Plan Review for the installation of a surface parking lot for 34 cars, new parking gates and lighting plan, and to replace a portion of the west lawn. The applicant is also seeking to modify the existing Declaration of Use related to the number of times parking can be used. The Landmarks Preservation Commission will perform design review of the application. [The Landmarks Preservation Commission approved the project at their June 22, 2022 meeting. Carried 5-0.]

Council Members Cooney, Araskog, Council President Zeidman, Council President Pro Tem Lindsay and Mayor Moore declared ex parte communications.

Maura Ziska, attorney for the applicant, provided an overview of the project, provided the relevant details, and explained the zoning requests for the proposed project.

Jedidiah Hall, Nievera Williams Design, presented the landscape and hardscape plans proposed for the proposed parking lot.

Chad Gruber, Gruber Consulting Engineers, provided an overview of the drainage plan.

Ms. Ziska confirmed with Mr. Gruber that the proposed drainage plan will protect the properties on Seaspray Avenue.

James Green, attorney representing 10 residents living on Seaspray Avenue, asked Mr. Gruber about the soil on the property where the site wall is to be placed. Mr. Gruber responded and showed the plan that depicted the type of soil. Ms. Ziska spoke regarding the proposed site wall.

Caroline Forrest, architect for the project, a current member of the board and head of facilities for the Palm Beach Day Academy, spoke regarding the undergrounding being done on Seaview Avenue currently. She provided background of the school and spoke regarding the proposed project.

Mr. Green inquired about the number of students on the upper campus. Ms. Forrest responded.

Mr. Murphy provided staff comments.

Ms. Ziska spoke regarding amending the declaration of use agreement at a later date if this item is approved.

Council President Pro Tem Lindsay inquired about the concrete turf block that was presented at the Landmarks Preservation Commission Meeting. Mr. Hall indicated that the LPC supported the tabby concrete. Ms. Lindsay inquired about using a more permeable material for the parking lot. Ms. Ziska advocated for the proposed material, discussed the greenspace calculations, the new drainage proposed, and the new CBS wall proposed. Ms. Lindsay inquired about the

school being open in the evening hours to allow for parking for the Recreation Center, to which Ms. Ziska responded.

Mr. Crampton expressed surprise that the proposed material was not permeable. Mr. Gruber stated that the drainage proposed was more effective than the permeable pavers. Mr. Crampton inquired about staff's opinion for the proposed project, to which Mr. Bergman responded. Mr. Crampton inquired about the usage, to which Ms. Ziska discussed and explained the intent of the proposed parking.

Mr. Cooney asked Mr. Gruber about the amount of retention of water on site and asked if it was designed as a residential or commercial property. Mr. Gruber responded.

Ms. Araskog expressed concern over the runoff on to Seaview Avenue and asked about a heavy rainfall. Mr. Gruber responded. Ms. Araskog inquired about the lighting for the parking lot and asked if the neighbors to the north would see any lights, to which Mr. Hall responded. Ms. Ziska provided additional clarification on the need for the additional parking.

Mayor Moore inquired about the field and its current use, to which Ms. Ziska responded. Ms. Moore spoke regarding ensuring there is still enough green space for the students at the school.

Council President Zeidman spoke regarding concerns that have been raised by the neighbors. She asked Mr. Bergman if the proposed lot would cause a drainage issue for the neighbors to the north, to which Mr. Bergman responded. Mr. Gruber provided further information. Ms. Zeidman inquired about the lighting that would spill over to the north property. Mr. Hall responded. Ms. Ziska responded to questions from Ms. Zeidman regarding the grades of the neighboring properties.

Mr. Cooney inquired if the lot would be raised or constructed at grade. Mr. Hall stated it would be constructed at grade.

Discussion ensued regarding the neighbors' homes and which homes would be affected by lighting spill over.

Ms. Araskog inquired about Ms. Ziska having discussions with the Recreation Center, to which Ms. Ziska responded.

Council President Pro Tem Lindsay inquired if the ground to the wall could be sloped differently. Mr. Gruber stated that it was possible. Ms. Lindsay spoke in support of looking at sloping it slightly down.

Council President Zeidman inquired about the length and depth of the retaining wall, to which Ms. Ziska responded.

Council President Zeidman called for public comment.

Mr. Green provided corrections regarding some of the neighboring homes. He spoke regarding the applicant attempting to intensify its use and explained why the neighboring residents were not in attendance at the June LPC meeting. He spoke regarding there not being a traffic engineer's opinion and spoke regarding options for teacher parking. He addressed the declaration of use agreement. He provided further concerns over the application. He provided alternative plans and spoke regarding the need to have a traffic engineer review the issue.

Ms. Araskog inquired about the traffic study provided to the Council. Mr. Green stated he would email it to Ms. Araskog and provided further information.

Wes Blackman, Professional Urban Planner, discussed the future land use element in the comprehensive plan and argued the lot coverage for the proposed plan. Mr. Bergman responded to Mr. Blackman's comments.

Council President Zeidman spoke regarding the Town Council receiving the alternative information at a late hour and recommended deferring the item so Council would have adequate time to review.

Ms. Ziska spoke in opposition to a deferral.

Council Member Crampton spoke in support of moving forward with deciding the item and not deferring.

Council Member Cooney agreed that he believes that they have competent substantial evidence to be heard today.

Council Member Araskog spoke in support of deferring the item in order to review the additional information provided by Mr. Green.

Mayor Moore inquired if there would be a crane be placed in the parking lot, to which Ms. Ziska and Ms. Forrest responded. Mayor Moore spoke in support of the Town Council making a decision today.

Council President Pro Tem Lindsay inquired if this item would be in compliance with the comprehensive plan, to which Mr. Randolph responded. Mr. Bergman provided further confirmation.

Ms. Araskog inquired about the use of the study, to which Mr. Randolph and Mr. Green responded. She provided further explanation of the reason for deferral.

Motion made by Council Member Crampton and seconded by Council Member Cooney that Special Exception ZON-22-070 shall be granted, based upon the finding that such grant will not adversely affect the public interest and that the applicable criteria set forth in Section 134-229 of the Town Code have been met, and conditioned upon the consideration of the declaration of use. Motion failed, 2-3. Council Member Araskog, Council President Pro Tem Lindsay, and Council President Zeidman voted NO.
