Dear Mayor and Town Council:

My family and I are the recent purchasers of Leslie Shaw's home at [318 Seaspray Avenue](#). We are very excited to become a part of the community in Palm Beach. We became aware of the Palm Beach Day Academy's request to add parking spaces for their teachers west of the school. I wanted to let you know we don't have any objection to this request. Furthermore, I think it's a practical solution to what we believe has been a long standing parking problem in the neighborhood. When we purchased our house a few months ago we knew it backed up to a school and don't have any concerns about being in a mixed use neighborhood. We want to be good neighbors and support the school's request to have the parking they critically need. We also don't think having a school or parking behind our house will negatively affect the value of our house. I hope you can approve the school's request.

Best regards, Rob Russell
