Dear Mayor and Town Council:

My family and I moved to Palm Beach in September, 2021. We specifically sought a midtown location and purchased our home at 246 Seaspray Avenue. As the recipients of this email know well, Palm Beach is a special place and we are very fortunate to be part of this community and appreciate the proximity Seaspray Avenue offers.

I understand that Palm Beach Day Academy has requested the ability to add parking spaces for their teachers west of the school. **We are in complete support of this request.**

The ability to mitigate parking problems on Seaview by allowing PBDA to leverage existing property is an ideal solution. The addition of these cars does not, in our view, diminish value to the neighboring streets and will not create any negative impact.

Additionally, the parking seems like a very important need for the school and as neighbors we want to support their ability to improve current parking conditions for their teachers as well as the community.

Again we support this request and encourage the town to support it as well.

Thanks
Cynthia and Kevin Waldman
