To Mayor and Town Council:

We are the owners of 360 Seaspray ave on the corner of Seaspray and Cocoanut row. I understand the school desires to add parking spaces for the teachers on Seaview.

We support this request by the school and believe it's a very reasonable solution to help make life easier for the educators. The traffic patrol does a good job managing the area before and after school and we do not think this additional parking will have any negative impact on the neighborhood.

Thank you for your consideration. Justin & Meira Besikof
