Hi, Kelly:

Please see Christian and Ann-Britt Angle's letter of support below for the 124 Cocoanut Row project.

Best,

Harold Smith

Dear Harold,

Thank you so much for sending along the revised plans. The set back created with the additional landscaping on the terrace as well as the entire roof being covered with artificial turf will help with privacy and noise. We also notice the additional landscaping along the north property line. As long as all this will be installed and maintained we don't see any objections and are in support of your project.

Thank you,

Christian and Ann-Britt Angle
