

March 30, 2023

Dear Madam Mayor and Members of the Town Council

We, the undersigned, are writing to express our concerns and opposition to the proposed plans submitted for the renovation of the 125 Worth Ave building. We are opposed to the overall massive building expansion, the expansion of the existing rooftop mechanical structure to create a 4th floor and the possibility of a restaurant/bar or entertainment venue.

This would set a terrible precedent for future expansions of other buildings throughout Town.
