TO: Mayor and Town Council

VIA: Kirk Blouin, Town Manager

FROM: H. Paul Brazil, P.E., Director of Public Works

RE: Approval of Request by the City of West Palm Beach to Install Decorative Screening at Town Owned Quadrille Property

DATE: July 13, 2023

STAFF RECOMMENDATION

Town staff recommends that Town Council approve the City of West Palm Beach's request to install a decorative screen on the fence surrounding the Town's property located at Quadrille and 6th Street.

GENERAL INFORMATION

The Town-wide Utilities Undergrounding Program had used Phipps Ocean Park as a construction lay down area for Phases 1-5 South. With the upcoming Phipps Ocean Park Project, this location was no longer going to be feasible. The Town requested the City of West Palm Beach's approval to utilize the Town's property at Quadrille and 6th Street. The City of West Palm Beach was cooperative and timely in permitting the fence installation for the utilization of this site.

Last month Public Works received a request to allow the present standard green screening to be replaced with a decorative screening advertising the future NORA District. Attached are two (2) exhibits. The first shows the location of the property. The second is the proposed screening that will wrap around the property and replace the existing screening. The screening will be maintained by the City of West Palm Beach and NORA. Staff has no objection to this request.

FUNDING/FISCAL IMPACT

There is no funding/fiscal impact related to this item.
