RE: Park on Ibis Isle

Dear Mr. Brazil,

My name is Howard Rudolph and I currently live at 2227 Ibis Isle Rd. East. I have lived at this residence since 2018. Prior to living at this residence, I lived at 2253 Ibis Isle Rd. East since 1994. Thus, I along with my Wife and Family have been residents of Ibis Isle for approximately 30 years. The park that is immediately across the street from my current residence (Ibis Isle Park) is the subject of this letter. As a result of various wildlife in the community, specifically raccoons, foxes and coyotes, I believe it to be in the best interest of the community to have a fence surrounding the park in order to create a safe harbor for the residents. I would imagine the fence would be approximately the height of the existing border shrubbery and green in color. Please let me know what it is that I need to do so that the Town of Palm Beach would take this reasonable action for the benefit of the community of Ibis Isle and the overall benefit of Palm Beach.

Very truly yours,

Howard Rudolph, Esq.
