## Interests/Experience

Question applies to Shore Protection Board

### **Why are you interested in serving on the Shore Protection Board?**

---

We bought a house and moved here 5 years ago but have been coming to Palm Beach for a number of years before that. We are captivated by the beauty and character of Palm Beach particularly its commitment to preserving its unique natural environment. We have been fortunate to live close to both the Lake Trail and the beach which has allowed us to enjoy the area fully -our cocker spaniel Josie especially loves running on the beach, often covering 6-8 miles a day. We have watched over the years the sand reclamation projects and would like to help insure we preserve and protect the shoreline going forward.

### **How many meetings of the Shore Protection Board have you attended in the last year?**

### **Please list your qualifications specifically relevant to shore protection, including any degrees or certifications you possess.**

I do not possess any specific experience in these areas but have reviewed minutes of recent SPB meetings, viewed the Coastal Management videos prepared by SPB, attended Levelup PB presentations and serve on the Intracoastal Committee of PBCA.
