

February 3, 2025

SUBJECT: HSB-24-0005 854 S County Rd., Palm Beach, FL 33480

The revised pool house reflects revisions made to floor plan, roof plan and exterior elevations to more closely reflect the Landmark Committee requirements for traditional architectural detail and styling associated with the main house design.

In addition, the new FEMA flood criteria caused an increase in finished floor elevation which is now reflected in the design submitted.

Brian I. Bullock, Architect
