Question applies to Architectural Review Commission (ARCOM)

Why are you interested in serving on the Architectural Commission?

My time on LPC has been a joy-- and I feel that my 8 years on the commission were effective. As passionate as I am about preservation-- I look at ARCOM as the future of preservation. That being said-- what is being built today-- could very well be the landmarks of tomorrow. Bigger picture-- the preservation of Palm Beach is what's important-- especially with the influx of newcomers and the volume of new construction. Maintaining the beauty and charm of Palm Beach is essential.
