Re: 128 Seabreeze Ave – Three Strikes & Stop Work Order (Permit B-23-00249)

Date: February 21, 2025

---

## **FYI - This Memo is provided as Information to the Town Council**

As you know, the Town has a “Three Strike Rule” for construction parking and construction site management. The regulations and process are found in the Town’s “Department of Public Works, Engineering Division, Standards Applicable to Public Rights-of-Way and Easements Within the Town of Palm Beach” (commonly called the Right-of Way-Manual), dated May 1994, as revised through November 8, 2022. Chapter XII, Miscellaneous Provisions, contains the details of the Three Strike rules. The regulations spell out the process in which contractors can secure parking permits, the fees for various violations, and the process that must occur once a contractor receives Three Strikes – three different sets of tickets for construction violations.

**128 Seabreeze Ave** recently received their third Strike for construction-related violations in the right of way. The contractor is Wildes Builders, located in West Palm Beach, FL. Please refer to the attached letter dated February 11, 2025, for the details of the Strikes.

The regulations allow a time frame for the violator to appeal the ticket(s). In this case, since the last violation was issued by code enforcement, to date, the contractor has filed no appeals. The Planning, Zoning & Building Department issued a STOP WORK ORDER for the construction project on February 21, 2025, based upon the number of strikes with no appeal filed.

The contractor is required to pay all fees and fines related to the Strikes.

The Town Council’s process for this matter is contained within the Public Works “Right of Way Manual”, as follows:

*“When the Town Council receives a written request to lift a stop work order the Town Council shall have the power to admonish the contractor; take such action as deemed necessary to effect the stop work order on a permanent basis by nullifying the existing building permit; cause the contractor and/or property owner to enter into a binding agreement to memorialize the understandings between the Town and the contractor and/or property owner relative to all*

*conditions placed upon the lifting of the stop work order, if applicable; establish penalties for future right-of-way violations the amount for which shall be in the sole discretion of the Town Council; collect the fine as outlined below, plus payment of any outstanding right-of-way fines and accumulated interest, as referenced herein below and to prohibit the issuance of any additional right-of way permits for the duration of the work in question.*

*The fine for a third (3<sup>rd</sup>) strike shall be \$500; the fine and penalty for a fourth (4<sup>th</sup>) strike shall be a fine of \$2,500 and a mandatory thirty (30) day shutdown of the construction project; the fine and penalty for a fifth strike shall be a fine of \$5,000 and a mandatory thirty (30) day shutdown of the construction project, plus payment of any outstanding right of-way fines and accumulated interest unless the Town Council chooses to invoke the use of a binding agreement memorializing a penalty structure to be paid to the Town for all future right-of-way violations in excess of three (3) to be paid in accordance with the terms and conditions of the binding agreement between the Town and the contractor and/or property owner. All fines and penalties shall be paid in full prior to issuance of a Certificate of Occupancy for the construction associated with the activity that generated the fines, penalties, and interest."*

Any motion to resolve this matter should include "waiving the third strike" and "granting the ability for the contractor to apply for future right of way permits".

Re: **STOP WORK ORDER PENDING** - 3-Strike Rule Citations – 128 Seabreeze Ave – B-23-00249

As you know, the Town of Palm Beach Standards Applicable to Public Rights-Of-Way And Easements Within The Town Of Palm Beach regulates the number of construction-related vehicles that can be parked on Town streets in conjunction with building project sites within the Town. Attached to all construction permits issued to a job is information regarding these regulations.

Your project has received **three citations, constituting three strikes**:

Strike 3 January 3, 2025 (NOV-10967 – for construction parking without permit)

Strike 2 February 1, 2025 (NOV-10942 for construction working hours)

Strike 1 July 3, 2024 (PW-7056 for illegal discharge to Town sewers)

Therefore, under the Town's rules (referred to as the "3-strike" rule), the Director of Public Works and Police Chief have notified the Planning, Zoning & Building Department of these violations, and requested that a "Stop Work" order be issued as allowed by Section 18-204 of Town Code.

Per Town Resolution No 001-2022, because you have received three strikes, fines are being imposed and are also payable immediately to the Town of Palm Beach. These fines are in addition to all right-of-way fines referenced above. Refer to Invoice #INV-25-00009966,9967. Payments can now be made at [www.townofpalmbeach.com](http://www.townofpalmbeach.com).

**An appeal for the Notice of Violation could have been made, however, by virtue of payment for each Notice of Violation closes the code case and becomes an admission of guilt. At this time, it is up to the Building Official if a "Stop Work" order will be issued. If issued, no work may be carried out at the site under any permits issued by the Town of Palm Beach.**

All requests to lift a "Stop Work" order would need to be decided by the Town Council. The next Town Council meeting date is Wednesday, March 12, 2025. For this item to be considered at that meeting, you would need to submit a written request to Michelle Sentmanat @ [msentmanat@townofpalmbeach.com](mailto:msentmanat@townofpalmbeach.com).

Truly yours,

***Wayne Bergman***

Hi Wayne. Jeff Wildes just forwarded to me the Notice attached. I represent the Palumbos, who are the owners.

Has a Stop Work Order been issued? Apparently, the house is almost completed and the owners were planning to spend Spring Break in the completed home.

If you want to discuss further, please let me know.

Thanks, Tim
